ANTIOCH, ILLINOIS, THURSDAY, MARCH 12, 1964

VOL. LXXVIII, NUMBER 37

SHERIFF CHARLES LARSON accepts the first applications for membership in the Junior Deputy Sheriffs group from Stanley Horton, son of Mr. and Mrs. Raymond Horton, Charles Court, Antioch, and Jeff Pachay, son of Mr. and Mrs. Carl Pachay, 1036 Spafford St., Antioch.

## First Members Join Junior Deputies

Stanley Horton and Jeff Pachay, both of Antioch, were the first two members to be officially accepted into the Junior Deputy group in Lake County. Sheriff Charles Larson announced that applications for membership in the group can be obtained at the main counter in the sheriff's office, or the Antioch News office.

Interested youths must be 13 to 17 years old, and must obtain the permission of their parents or legal guardians. Applications should be returned to Deputy Sheriff Stanley Schabowicz. Each accepted applicant will be assigned to a squadron and each squadron will be supervised by a Deputy Sheriff.

An official swearing-in ceremony will take place sometime in the month of May. At that time each youth will receive official credentials and a Junior Deputy Star.

The project will be implemented by recreational activities, which will take place during the summer months. Deputy Sheriff Schabowicz said, "We are interested in those youths who have already accepted a share of responsibility in school and at home. We wish to recognize them and establish a closer relationship with them by doing things together whenever we can. We wish to pay tribute to those who have earned recognition through their conduct and good citizenship."

## "A" Club, Faculty To Fight It Out At High School Gym

An evening of rousing basketball on a very amateur level, plus North Antioch's very distinctive "Flamingo Dance" as part of the half-time entertainment, awaits the zealous fan who buys a ticket to the game at the Antioch High School gym Saturday night, March 14.

The preliminary game will start at 7 p.m., and will feature the Freshman basketball team against the Fathers. This will be a good warmup for the "serious" game of the evening, "A" Club members vs. the High School Faculty.

"A" Club members taking part in the game will be boys who did not win their letter in basketball. This is designed to give the aging faculty a chance.

Faculty members taking part in the game will be Roger Andrews, Duane Foster, Gary Allen, Fred Stockhecke, Doug Risberg, Bill Neuman, Jim Erdman, Larry Eggleston, Karl Mueller, Lee Meure, Bill Seemann and Warren Polley.

Proceeds of the game will go to buy athletic equipment, particularly a movie projector. Admission is 75c for adults, 50c for students. There will be a student record hop after the game.

## Bridge Fans Get Ready

You have until noon Monday, March 16, to enter the Lions Club Bridge tournament.

Entries are by couple. The couple may be a man and a woman, two men or two women.

It's an elimination affair, with winning couples of the first round going on to play other winning couples until only two couples are left. The last match, to determine first and second place, will be played in a public place with spectators invited.

Losers in the first round will play other losers to determine a consolation winner. The winners of first and second place and the consolation winners will be guests of the Lions Club for dinner, when trophies will be presented to them.

Opponents will be selected by lot. Competing teams will have a week to play their match, arranging time and place with the opposing team. Entry blanks may be picked up at the Antioch News office, or from Dr. James Kopriva or Homer LaPlant.

If the undertaking is met with reasonable success, it is planned to extend activities beyond the summer months. "It won't be easy," Larson said, "but we are ready and willing to provide leadership to those who join the Junior Deputy Sheriff's program. We will need all the cooperation we can get from people who are interested in the youth of this county."

## A.G.S. Board Gets Ready For Election

The Antioch Grade School Board, at its meeting Tuesday night, authorized the secretary of the board to make all necessary arrangements for the school board election on April 11.

The board adopted a resolution authorizing the use of numbered affidavits in lieu of the poll book and list formerly used. Three judges of election were appointed—Mrs. Vera Horton, Mrs. Lois Larson and Mrs. Lila Palen-ski.

Financial aspects of next year's program were discussed and the board approved the budgeting of an extra \$150.00 for the health program, \$800.00 more for the special reading program, and \$3,000.00 to the General Library Fund.

Teachers' contracts and salary statements are to be issued according to the salary schedule adopted at last month's meeting. The board voted to request teachers to return contracts by April 1.

Clarence Larson and Richard Eckert were appointed to attend the Lake County School Board meeting.

There was discussion of the proposed art program, also of the possibility of adding foreign languages to the school's courses.

President of the Board Leslie Sorenson reminded board members that they were to attend a dinner, meeting at Antioch Community High School at 7 p.m. Wednesday, March 11.

Norman Jedele, of the firm of Jedele & Cain, was present to discuss the school's finances. The board approved the transfer of \$9,000.00 from the transportation fund to the Building fund, and the transfer of \$9,000.00 from the

## Monday Is Last Chance To Register

Voters are reminded that March 10 is the final date to register if you wish to vote in the primaries.

Voters may register at Carol Cervinka's Grass Lake Food Mart or at Murrie's Standard Service Station on Main St. in Antioch.

## Chamber Will List Activities

The Antioch Chamber of Commerce, at its general meeting March 2 at the Antioch Savings & Loan Community room, voted to adopt a set of by-laws which will govern the future action of the organization.

The membership heard a report from John Romer, chairman of the Co-ordinating Events Committee of the Chamber. Mr. Romer, together with George Camp-hausen, executive secretary, are attempting to develop an events calendar for the Chamber office.

The calendar will list all community events of the various organizations for as far in advance as possible. The purpose of the program is to provide clubs and organizations in the community a source of information when planning their various functions. By this means it would be possible to avoid conflict in dates.

Mr. Romer is asking the co-operation of the organizations in Antioch and surrounding area and that they notify the Chamber office at 395-3381 of any function or event they may have planned. The event will be listed on the calendar and other groups can then, by contacting the Chamber, avoid having another function on that same date.

"The Chamber is not trying to govern these activities," Mr. Romer said, "merely trying to get the dates down in a central location for everyone's use."

Following the business portion of the meeting the group heard a talk by Verne Stretch, executive secretary of the Libertyville Chamber of Commerce. Mr. Stretch held a question and answer period following his talk.

working cash fund to the educational fund.

Bob Horton reported the condition of the water at the Grade School was bad, and that as a result the boiler tubes were becoming filled with sediment. He was instructed to investigate the possibility of finding a method to filter the water.

## Village Board Meets and Accepts Bid on Squad Car

The low bid of John Teresi, Chevy-Olds Corp. on a squad car for the Police Dept. was accepted by the board. The possibility of installing an additional mail-box on Lake St., on the north side of the street, near the Savings & Loan building, was discussed. Ray Toft reported

car equipped for police work with several additional items for \$15.00 more. The offer was accepted by the board. The possibility of installing an additional mail-box on Lake St., on the north side of the street, near the Savings & Loan building, was discussed. Ray Toft reported

ed that Postmaster Roy Kufalk felt that a drive-up box in this spot would be most practical. The board referred the matter back to the committee for further investigation. The possibility of installing a four-way Stop at Oakwood, Maplewood and Bridgewood

was discussed, and referred back to committee.

The matter of purchasing a sign identifying the new Village Hall was discussed, and referred to committee. David Nissen offered to design a plaque for the building, and was asked by the mayor to submit a drawing for consideration.

Edgar Simonsen reported to the board on the conference of Water Works Operators attended by himself and Charles Mapleshorpe last week in Springfield. He reported that he had discussed the problem of sulphur and minerals in the water from Antioch's wells with the State Sanitary Engineer. The engineer recommended installation of a filtration plant for the water. Simonsen also reported that the engineer advised against the drilling of a deep well, formerly discussed at a board meeting.

Antioch at present, he said, has excellent water and is "on the best vein in the state." The engineer recommended drilling another well at about the same depth as those now operating if more water is needed.

The board voted to send employees of Antioch's sewer plants to Springfield for the Sewer Plant Operators' conference on April 7.

A committee of Roger Williams, Einar Petersen and David Nissen was appointed to contact all concerned in the installation of an alley south of the high school, so that work on the project could begin.

The matter of finding someone to take over the position of Civil Defense Director was again discussed. Anyone who might be interested is asked to contact a Village Board member.

The committee consists of Howard Shepard, president; Mrs. Sven Osterlund, committee for homes and student family adjustment; Mrs. Ted Larson, member for finances; Mr. Harrison Brown, member from the School; Mr. Bill Seemann, Americans Abroad Coordinator; and Bruce Dalgard, Student Representative.

The Chapter urges all interested families to make application as soon as possible, a representative said. "We must forward them to New York for approval right away if we are to get a student for the coming year," he said.

Anyone desiring additional information may call Howard Shepard at the Antioch News, 395-4111 or Mr. Harrison Brown at the Antioch High School.

## Easter Seal Campaign Starts This Week

The 1964 Lake County Easter Seal campaign begins this week with the mailing of 70,000 letters and seals to the residents.

Mr. Hyman L. Porritt, President of the Lake County Easter Seal Society, Inc., said that this year's campaign will be conducted primarily by the county-wide mailing and there would be no door-to-door fund solicitation.

Last year the Lake County Easter Seal Treatment Center provided over 5,000 treatments to crippled children and handicapped adults and each year this number increases. The Lake County Easter Seal Treatment Center in Waukegan serves all of Lake County.

## From Cakes To Fur Coats—Hospital Benefit Has It

The Countryside Hospital Fund will receive the proceeds of the big fifth annual rummage and bake sale at the Lake Villa Grade School this Friday and Saturday, March 13 and 14.

The sale is sponsored by the Women's Group of the Hospital Fund-Raising committee. It will be an all-day affair, starting at 9 a.m. both Friday and Saturday and continuing until 9 p.m.

Bakery goods for the sale on Friday will be donated by women living west of Route 21; on Saturday, by those east of Route 21.

Special features at this year's sale will include popcorn freshly popped on the premises and fresh-baked doughnuts. At least three doughnut machines will be in operation at all times.

Some bargain-hunters may find all day, since the kitchen will be in operation and new items coming in throughout the sale.

A feature each year is the French Room, where items ranging from a fur coat to a rare antique will be sold. This year's French Room promises to be bigger and better than ever.

A baby-sitting service for youngsters will be provided by Girl Scouts in the basement of the school during the sale.

Members of the sponsoring women's groups will be at the Lake Villa Grade School after 3 p.m. on Thursday, sorting and arranging rummage articles. Donations may be de-

livered to the school, or will be picked up at your home. Merchants are donating their services for pick-ups. Those in Antioch area can call Russell Lasco, 395-1987; Fox Lake

Everett Topyan, Ju 7-0489, and Lake Villa, Joseph Botts, El 6-5629. The Lake Villa Grade School is on Routes 132 and 21.

## Antioch Home Needed For Foreign Student

Members of the Antioch Chapter of the American Field Service decided at their Thursday night meeting that their major problem now is finding a family to take in the foreign student they hope to have attending Antioch High School next year.

The Student Council of the High School has pretty well dealt with the financial problem, one of the major aspects of the program. The Council instigated the formation of a local chapter of the American Field Service, and has assumed responsibility for the \$700.00 needed.

The recently formed local chapter is under the direction of the American Field Service of New York. One of the major requirements of the program is finding a suitable family for the foreign student to live with while attending Antioch High School.

"The student actually becomes part of the family," a spokesman said. "He or she will take part in all the family's activities, share in the responsibilities along with the other children, be subject to the same discipline and have the same privileges."

With the funds already available and approval of the New York office received, the next step is finding a sponsoring family.

The applications for the families interested are available at the Antioch News office and the High School office. The committee is making a plea to any family in the school district who would like to take part in the program to contact a member of the committee or pick up an application at one of the two locations.

The committee consists of Howard Shepard, president; Mrs. Sven Osterlund, committee for homes and student family adjustment; Mrs. Ted Larson, member for finances; Mr. Harrison Brown, member from the School; Mr. Bill Seemann, Americans Abroad Coordinator; and Bruce Dalgard, Student Representative.

The Chapter urges all interested families to make application as soon as possible, a representative said. "We must forward them to New York for approval right away if we are to get a student for the coming year," he said.

Anyone desiring additional information may call Howard Shepard at the Antioch News, 395-4111 or Mr. Harrison Brown at the Antioch High School.

## 2-5 Year Prison Term For Death Car Driver

Ernie Vester, 63, of Trevor, Wis., received a two-to-five-year sentence in the Illinois State prison for reckless homicide in the traffic accident which resulted in the deaths of Robert Bruce, 19, of Antioch, and Denise Christopherson, 2½ months old, of South Beloit, Wis.

Vester was sentenced last Friday by Circuit Judge Philip W. Yager. He had previously pleaded guilty to the charge of reckless homicide and had admitted he had been drinking before the accident occurred.

The sentence is the stiffest one meted out for a traffic death in Lake County history. Asst. State's Attorney Jack Hoogasian said there were probably several reasons for

the severe sentence. "The two deaths," he said, "were a hideous thing. Also, there was no doubt of Vester's guilt, or that he had been drinking heavily."

"Maybe," Hoogasian said, "this sentence will make people realize that a single willful or wanton act can lead to the death of another person." Judge Yager pointed out, Hoogasian said, that the rise in traffic deaths in Lake County must be stopped.

The accident for which Vester was indicted occurred on Sept. 8 on Route 173 near Deep Lake Road. At the time of the accident, Vester said a car carrying lumber had passed him, and the lum-

### Wanted: One Civil Defense Director

Antioch is badly in need of a Civil Defense Director.

The resignation of John Horan left a vacancy that the Village Board has not yet been able to fill.

A lull in the cold war with the Communist world has led to a quieting of talk about bomb shelters and organization of civilians for times of disaster. In one sense, that's unfortunate. Civilian defense arrangements can't be made overnight. They require study, knowledge and a great deal of organization.

You don't support a fire department because you expect your house to burn down. You don't wait until the house catches fire before you think about organizing a fire department.

For the same reason, Antioch needs a Civilian Defense Director. He, or she, should be a man or woman who has a good deal of time to spare. There are many meetings to be attended.

The village pays the Civilian Defense Director a token salary of \$100.00 a year, and pays expenses up to \$400.00. Anyone interested should get in touch with Mayor Murrill Cunningham or one of the village board members.

### Question of the Week

Would You Vote for a Woman for President to the United States?

Marv Lefco, Jerry's Service Station—No. A woman isn't strong enough.

Myrtle Sampayo, Antioch Bowl—No. A man is still the recognized head of the country. I think people look up to a man more.

Louise Hogan, Rte. 4, Box 179—I guess I would, if I liked her platform and record.

Earl Hogan, Rte. 4, Box

179—I don't think so.

Donald (Chad) Richards—No, not at this time. I think the time will come when a woman will be president.

When that time comes, if I thought she'd be a good president, I'd vote for her.

Eleanor Richards—Not at this time. I don't think women have been schooled enough in politics. I think they're making headway, and eventually a woman will run and be elected.

### Your Governor Reports

by OTTO KERNER

The year 1964 will be remembered as a landmark year for the treatment of the mentally ill in Illinois.

This will be remembered as the year when a network of clinics began to arise at key cities across the state, part of a bold and revolutionary new program for mental health so advanced that it served as the pattern for a federal plan subsequently proposed by the late President Kennedy.

This will be remembered as the year when Illinois razed dangerous and outdated structures at existing institutions, constructed badly needed new facilities and provided a record number of beds for citizens in need of mental treatment.

The success story of mental health in Illinois began in the fall of 1960, when the people of our state voted a \$150 million bond issue for welfare purposes. My election was simultaneous with the bond approval. Five days later I made by first cabinet appointment—Dr. Francis J. Gerty as director of the Department of Public Welfare, the first psychiatrist ever named to this important position.

At my suggestion, the General Assembly streamlined and more sharply defined the duties of the department in a new Department of Mental Health, still headed by Dr. Gerty and later by another outstanding psychiatrist, Dr. Harold Visotsky. Meanwhile, it had become obvious that the best solution to the press-

ing mental health problems would be to supplement existing long-term programs with an intensive short-term type of ambulant program through community-centered mental health clinics. This type of program would take the strain off the large and overcrowded state hospitals.

Plans for the new clinic-type institutions were drawn in each of six zones, to be located so that no person who lived in one of the zones would have to travel more than 90 minutes to reach a clinic. More than \$62 million from the welfare bond issue money was allotted to the new institutions, along with a new center for mentally retarded children located at Centralia.

This careful planning is now paying off. The Centralia hospital is nearing completion. Ground has been broken for two of the clinics, at Chicago and Decatur. Within the next six months ground will be broken for additional clinics at Rockford, Peoria, Springfield and Champaign, plus a second one in Chicago.

In addition, work has begun on most of 71 major building projects at existing institutions and will have begun on all of them by early summer.

Work is also well along on a new children's center at Harrisburg, which is being paid for from the Mental Health Fund. The Mental Health Fund is comprised solely of monies collected for

THE LATEST REPORT: Among the latest list of those receiving their "Aloha" leis at Honolulu, were the Edmund Vos' and the Dr. Vermerens (land, air or sea, you can't escape from ME). . . and speaking of water (we were, weren't we?), four socially prominent lovelies had all of it they wanted for a while last Tuesday nite. After an exuberating weekend at Boyne Mt. Ski hill in Michigan, Fran Walpole, Marge Warner, Dolores Abderhalden, and Phyllis Bucar heard of the approaching storm in Southern Mich. Feeling it safer to take the ferry across Lake Michigan than to attempt a drive thru this storm, they gaily embarked for a six hour ride to the other side. Twenty-two hrs. later, four very frightened and seasick gals disembarked at Manitowoc, Wis. Eighty mile an hr. winds had tossed that ferry around like a cork, making it impossible for her to land. In case you are wondering what good came of that experience, look what it did for ol' Annie's column. All kidding aside, gals, we are all glad to see you safe and sound. . .

THE LAST DROP: Louie Nielsen, "Restaurateur deluxe" opens his "downtown" branch this coming week. . . ## SPEAKING TO YOU

By John Burlend  
Director of Social Studies,  
Rockford East High School

We are too close to the event to judge what the verdict of history will be on the sale of wheat to Russia. Certainly, there is something to be said on both sides, but some of the outlandish charges made by its opponents are likely to look as ridiculous a quarter of a century from now as they do today.

For example we are being told that the recognition of Red China by DeGaulle stems from the wheat sale, that the British sold buses to Castro for the same reason, and that the trade between West Germany and the East is another result. As the game catches on, it has endless variations: the earthquakes in the Azores, the collapse of the Illinois basketball team, and the Sinatra kidnapping can all be blamed on the same evil. It is a lot of fun, but it doesn't merit serious attention.

I have a great deal of respect for Konrad Adenauer; but when he lectured us on the wheat sale, I was a little annoyed. The Greeks had a word for the man who scolds his neighbor for doing exactly the same thing that he himself is doing. West Germany has sold a long list of items to the East that were far more military than wheat.

If anyone thinks that Charles DeGaulle was influenced a fractional of a degree in his foreign policy by our wheat deal, he knows little of De Gaulle or his policies. The ground work for the recognition of China was being laid long before the Russians sought to buy wheat. DeGaulle is developing a policy to challenge our primacy in every area of the world. To think that he was driven to this act by the wheat sale is equivalent to thinking that Napoleon was overturned by an anthill.

The British laid it squarely on the line the other day that they did not agree with our policy of embargo of Cuba

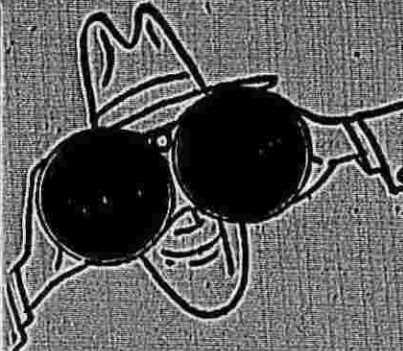

nor do they expect to honor it. They are a trading nation; they trade with anyone from cannibals to Communists. The sale of buses helps to balance their unfavorable trade balance with Cuba. They plan to continue.

As a matter of fact the Australians, the Canadians, the Swiss, the Dutch, the Danes, the Japanese, and everyone else who had something to sell that the Russians wanted, have been trading with them. It may or may not be a short-sighted policy, but it is there. The only effect of the wheat sale was to furnish them with a cynical alibi.

One thing is quite clear: the Russians do not regard the sale as a tremendous victory. It is a dismal pronouncement to the world that after 45 years of Communism in Russia, they are unable to feed their own people. Nor is that all; it is a drain upon the Russian gold reserve and their foreign currency that they would much rather spend for other purposes. No, the wheat deal brings no satisfaction to the Russians.

In the final analysis, your view of the wheat sale will depend upon your overall view of the world picture. If you accept the theory of inevitable war with Russia and/or Communism, you are quite correct in thinking that any trade or exchange with the enemy is an error. If, on the other hand, you think that the fanaticism that sparked the Communist march the past few decades is losing its fire, you will take another view.

Whatever view you take, you can still be a good loyal American whose patriotism is unquestioned. A good many students of Communism believe that the Russians are pretty well tied down with domestic problems and with the rivalry that has de-

If you're interested in the problem of young people who drop out of High School, read "The Drop Outs," a new book at the Antioch Township Public Library.

The book deals with a study, made by a group of psychologists, and psychoanalysts, of 105 students who had expressed a desire to drop out of school.

The students were all of sufficient intelligence to cope with their studies if they wished to. Forty-five girls and sixty boys were included in the study.

The book gives some case studies and the conclusions the psychologists reached. In a sense, it's a discouraging conclusion; however, it shows much can be done, if communities are willing to spend the money to do it.

The discouraging part of the conclusions reached is that drop-outs are drop-outs mainly because they have emotional problems which are caused by the fact that their parents have emotional problems. Even in the case of parents who cooperated to the best of their ability with the counselors, treatment was mainly unsuccessful.

So it is a vicious circle, with emotional problems of the parents producing emotional problems in the children, who will probably pass them on to their children.

The encouraging aspects were several. Treatment of the young people was proved successful enough, in several cases, so that they remained in school and im-

proved their grades. Several conclusions were reached as a result of the study. One was that potential drop-outs must receive counseling before they reach the high school level, for greatest success.

Another was that too much pressure is being put on pupils of average intelligence in high schools. They are being based to learn too much too fast. They aren't able to keep up with it so become discouraged and quit trying.

The counselors found another disturbing trend in today's high schools—the inclination to get rid of the misfit with the excuse that teachers had no extra time to give him the attention he needed and that he interfered with the progress of the capable, well-adjusted student. Result, another candidate for relief rolls of the future.

The book is interesting and informative. It should be "must" reading for all school board members, for parents and for anyone interested in the problem of school drop-outs. The first few chapters are tough going, couched in technical psychological language, but the conclusions reached are clearly illustrated and easily readable.

So it is a vicious circle, with emotional problems of the parents producing emotional problems in the children, who will probably pass them on to their children.

The encouraging aspects were several. Treatment of the young people was proved successful enough, in several cases, so that they remained in school and im-

proved in the Communist bloc. Certainly, Russian control over the satellites has loosened perceptibly.

Whatever way you decide, there are several questions to consider:

1. Should we refuse to sell wheat to everyone or just to the Russians? Is there anything to prevent French and German mills from buying American wheat and selling the flour to Russia?

2. Do we gain a great deal by paying storage on wheat until it becomes unusable and must be dumped? Is it unwise to drain Russian reserves and at the same time help balance our trade deficit?

3. Is there any way to prevent nations from trading with the Communist bloc except by blocking the ports of all other nations?

Clavey, on the other hand, has been stressing his background as a deputy sheriff and as county juvenile officer so strongly that Sheriff Charles Larson must sometimes wonder just what office his candidate for Coroner is seeking.

\*\*\*  
The state legislature races seem to be picking up some steam with representative delegate candidates trying to put incumbent legislators W. J. Murphy, of Antioch, and John Connolly, of Gurnee, on the defensive, particularly on the issue of reapportionment.

Strangely enough, both Democratic and Republican candidates are exonerating Gov. Otto Kerner for his lack of leadership in accomplishing reapportionment and seeking to place all of the blame on Murphy and Connolly.

As they say, politics make strange bedfellows.  
In the race for the State Senate incumbent Robert Coulson, who inherited the post when Cong. Robert McClory resigned after his nomination two years ago, appears to be maintaining his normal campaign pace.

Round Lake Mayor Douglas A. McGillis, the challenger, is stepping up his campaign by challenging Sen. Coulson's record of performance in the legislature.

Candidates who are weary of racing around the county to meetings where they frequently find themselves outnumbering the audience, are looking forward eagerly to the Officer Installation Dinner of the Antioch Township Republican Club at Lorenz's Smart Country House, March 28.

The office seekers know from past experience they can expect a good turnout at the dinner and even if their speaking time is cut short they can be sure of a good evening of handshaking.

### We All Buy The Image

Did you ever stop to think of what it is that makes people buy one product rather than another? Or why one business prospers and another fails?

According to the psychology experts, it's the public's mental "image"—or mental picture—of a product or business that accounts for its success or failure.

Sometimes a good image of a business or product can be built up by clever advertising propaganda to bring overnight success.

Often this is the case with a new product, introduced to the market with an expensive advertising splash. But the image never lasts unless the product delivers the satisfaction it promises—unless the picture of promised satisfaction is REAL. This is true of all advertising that doesn't represent the facts. Its cost represents wasted money.

Our basic attitude in running a car dealership is to create the kind of establishment that we would want to do business with IF WE WERE THE CUSTOMERS.

Customers want honest treatment, truthful guarantees, good service and fair value in everything. Give them that and you'll keep them. We hope, in talking honestly to you about the car business in this column, that we can convey to you a true picture of our business. Should you decide to patronize us, we don't intend to waste our advertising dollars by not following through with the satisfaction, we promise.

## Babcox Cited For Work In Murder Case

New recognition has come to Lake County Coroner Robert H. (Mickey) Babcox for his investigation which led to the identification of a Chicago woman as the victim of a butchery murder.

Babcox was awarded the Merit Citation of the National Police Officers Association of America by Edward Bredberg, Illinois State Vice-President of the Florida-based police group, at the March meeting of the Lake County Board of Supervisors.

In presenting the award Bredberg said, "This citation is presented annually in each state to the elected public official who best typifies the highest standards of service and duty to the people of his community."

Bredberg pointed out that Babcox worked more than six months to establish the identity of a woman, parts of whose torso were found in scattered sections of Lake County last year.

The victim of the butchery murder was identified as Mrs. Wilma Jeanette Hassan, a Chicago nurse, through the use of X-rays.

Babcox is also mentioned in the current issue of Life Magazine in a story titled "Seer Joins Search for Boston Strangler."

Earlier this month Babcox was nominated for a Fellowship in the American Society of Forensic Sciences for his work on the Hassan case.

EDWARD BREDBERG, vice president of the NPOA, presents an award for excellent work to Coroner Robert H. Babcox. Robert T. Dickson, chairman of the county board, is to the right of Coroner Babcox.

ber had smashed his windshield, causing him to lose control and smash into the car driven by Robert Bruce, which was pushed into the opposite lane, crashing into the car driven by Christopher. Vester later admitted this was untrue.

Robert Bruce, the son of Mr. and Mrs. H. I. Teague of Antioch, would have been a sophomore at Northern Illinois University this year.

Dorothy Christopherson was the daughter of Mr. and Mrs. Sidney Christopherson of South Bolit. Jane Anderson, Antioch, a passenger in Bruce's car, was also seriously injured.

## Students Elected To Honor Society

Twelve juniors and 17 seniors of Antioch Community High School were recently elected to the National Honor Society.

Scholarship, leadership, character and service to the school are the basic qualities which are considered when the teachers make the selections.

Junior elected this year are Kathy Albrecht, Gretchen Cardwell, Bruce Dalgard, Jim Edwards, Jim Effinger, Rosemary Frank, Karen Jennerich, Sue Lindblad, Mike McConahay, Sue Polley, Vic Rogers and Terry Schneider.

Seniors selected are Betty Liddle, Jerry Berke, Ellen Enis, Shirley Reichenbach, Norbert Wolter, Judy Stoffel, Jim Wojczynski, Cheryl Folbrink, Mary Grego, Jo Ann Bolton, Terry Starman, Art Hawkins, Wayne Hanke, John Brady, Brad Dubas, John Anderson and Ernest Westlund.

Senior members who were chosen last year as juniors are Marilyn Gras, Stan Sutherland, Dean Denman, Roger Eberman, Sue Bloom, Lloyd Pedersen, Suraya Brook, Rick Ripley, Paula Weiss and Ed Matejka.

## Grade School Band Makes Good Showing

The Antioch Grade School Band made a good showing at the contest held at Beach Park Grade School on Saturday, March 7.

The competition was for solos and ensembles. The Antioch grade students brought back 10 first division ratings and 8 second divisions.

On March 4, the Band played a concert for the Band Parent Association.

Further plans have been made for the Candy Sale, a fund-raising project starting on March 18 and running to the end of the month.

## HOMEMAKING

Homemaking is no longer belittled. It commands respect as a career requiring high intelligence plus devotion and special sensitivity to the social and emotional needs of others.—Rhoda Hagemelster

Be faithful over home relations; they lead to higher joys; obey the Golden Rule for human life, and it will spare you much bitterness.—Mary Baker Eddy

No woman does her housework with real joy unless she is in love—and a woman may go on being quietly in love for fifty years almost without knowing it.—D. H. Lawrence

My precept to all who build, is, that the owner should be an ornament to the house, and not the house to the owner.—Clara

Every woman can keep

only to the physical needs of the child and neglect the emotional ones.

The wise mother, who understands the important role she plays in baby's speech development, consciously intervenes and talks a great deal to baby as the child approaches the linguistic stage. Not only does she repeat words after baby, but she talks to baby in simple sentences using the words that baby already associates with persons and objects, such words as sleep, cry, kiss, bed, milk, brother, sister, laugh and blanket.

Thus, speaking distinctly and often, mother is helping baby develop his speech; learn a language and become more aware of the world around him.

## Board Turns Down Re-Zoning Petition

The petition for rezoning of property on Grass Lake Road from R-4 to B-1 of Joseph and Jean Kijak was refused by the County Board of Supervisors at their meeting last Monday.

The Kijaks had planned to build a motel on the property. Considerable opposition was voiced by neighboring landowners at the hearing of the petition in the Antioch Village Hall.

The Board said the property was in a largely residential zone and unsuitable for a motel.

## Horton Appointed To Safety Commission

Herbert Horton, Dwight Court, Antioch, is one of five county men appointed to the Lake County Safety Commission by the County Board of Supervisors.

Former members of the Safety Commission resigned after the County Board fired the Executive Director, Eugene Landon, and appointed Sheriff Charles Larson to take his place.

Others appointed to the commission were Earl Burdock, Wauconda; Roy T. Clapp, Waukegan; Kenneth G. Sams, Waukegan; and Joseph O'Neill, Sr., Lake Forest.

## NOW! Features like these on your new electric range

**Easy-to-Clean Ovens.** All are designed for easy cleaning—some are even self-cleaning. Just set the dial, latch the door, and it cleans itself like new—electrically.

**Eye-Level Design.** Adds style to your kitchen... watch your electric range automatically perform its culinary magic. Flameless cooking at the height you like.

**Automatic Self-Cleaning Surface Units.** Exact temperature control for perfect cooking results. No pots to watch, no burners to clean. The elements clean themselves. Pots and pans stay bright as new.

**Full Capacity Convenience Outlets.** Add 2 additional appliance circuits in your kitchen. Handy for coffee maker, toaster, and other table appliances.

**Reflector.** Meats and poultry cook 1/2 faster than roasting. Gives food a deliciously different flavor. Now you can barbecue all year round.

**Automatic Roast Thermometer.** Keeps track of temperature inside the meat. Did you roast the way you want it—rare to well done.

## -and free wiring, too!

Start enjoying today's great cooking advances at a remarkable saving (LIMITED TIME OFFER)

There are so many new exciting things about the 1964 electric ranges that they must be seen to be believed. New features described on this page will give you an idea. And when you cook the modern electric way there's no flame to make dirt, so your kitchen stays clean about twice as long. It stays about 10° cooler too, because only electric ovens are insulated on all 6 sides. Electric surface units clean themselves—pots and pans stay bright and shiny. And electric cooking costs the average family only about 2½ cents a meal.

Here's what you get free  
This special limited-time free wiring offer applies to a new electric range of any make or model. It can help modernize your home wiring and save you a substantial amount of money if your housewiring is not up to date. The offer applies to a standard wiring installation for an electric range in any single-family dwelling served by Commonwealth Edison/Public Service Co. Also for a limited time, necessary wiring will be installed free in two- and three-flat apartment dwellings provided an electric range is installed in each apartment. Look for "Little Bill Bargain Buys" at your dealer's.

## Illinois Tax Facts

A study of the effect of relief curtailment in Clermont Co., Ohio, is reported in the February issue of the Social Security Bulletin, the Taxpayers' Federation of Illinois noted today. General Assistance was virtually discontinued in April 1961 in Clermont County after the voters had rejected a local tax for welfare. The lives of the needy were made more difficult, while the burden of their support shifted to other sources such as civic groups, churches, voluntary agencies, individuals and Federal programs.

The findings were made by the research staff of the Community Welfare Council of Cincinnati, Ohio. The Council began this study in November 1962, its purpose to learn how those families and individuals who had been on the general assistance rolls in April 1961 had been affected by the program's curtailment of basic food, shelter, clothing and utilities. Medical aid was not discontinued until April 1962.

This is what the study found: 49 of the 162 cases of families and individuals had turned to another type of public assistance—one of the categorical programs that receive Federal funds (aid to families with dependent children, aid to permanently and totally disabled, old age assistance, and aid to the blind). Thirty-three cases were not considered in the study, because of normal turnover, ten could not be located and one refused to be interviewed. Sixty-nine were found and interviewed between December 1, 1962 and April 1, 1963.

The researchers found: (1) Most of the 9 cases involved persons who were long time residents of the county; (2) The community in some form, has paid and is still paying maintenance costs for most of these cases since their needs have continued; (3) The presence of children made

## Five Hurt in Two-Car Collision

A two-car collision on Deep Lake Road Sunday night, March 1, injured five people. Aloysius G. Elfering, 228 Hickory Lane, Antioch, the driver of one of the cars, his wife, Lucille, and daughter, Kathleen, 9 months old, were taken to the Antioch Clinic, then to Victory Memorial Hospital by the Antioch Rescue Squad after the accident. Orville E. Haycock, 62, of Rt. 4, Box 503, North Ave., Antioch, was the driver of the other car. A passenger in his car, Lillian Grandall, 59, of Rt. 2, Box 154, Antioch, was also injured.

The cars collided when Haycock made a left turn into a private driveway about a mile north of Route 173 on Deep Lake Road. The accident happened about 10 p.m. Sunday night. Haycock was given a citation by sheriff's deputies for failure to yield the right of way when making a left-hand turn.

Overheard: "I'm going to get out of debt this year if I have to mortgage my house to do it!"

Important difference in the way the recipients were able to manage; and (4) Medical care and health resources available were a prime concern of persons removed from the rolls.

Other things found were a 54% increase in money owed to landlords, grocers, physicians and hospitals during the 15 month period after the curtailment; many unmet medical needs; many children who had not received smallpox, diphtheria, and tetanus immunization; and only 15 of 250 had received all the polio immunizations.

It seems that the lesson learned from the study is that there is need for general assistance programs, but that the emphasis should be on good administration and support of educational programs to retain the recipients for other jobs demanding different skills and training than they presently possess.

## March Is Mumps Season

Lots of things are "seasonal" in March—including mumps, one of the most contagious diseases in America. An acute virus disease especially prevalent in winter and early spring, mumps usually causes painful enlargement of the salivary glands in front of the ears, under the tongue and lower jaw. The swelling, which appears from 12 to 26 days after contact or exposure to the disease, may last about four or five days.

Though it's quite common for only one side to be affected, both sides of the face frequently are involved. In either case, the patient finds talking and eating extremely difficult.

The disease occurs primarily among children between 5 and 15 years of age, and is therefore classified as a childhood disease. However, it may occur at any age and is especially serious when contracted by adolescents and adults.

Why? Because the mumps virus sometimes affects the genital glands—testes in men, ovaries in women. If only one gland is damaged, the ability to have children is not destroyed. But if both glands are affected, it may cause sterility.

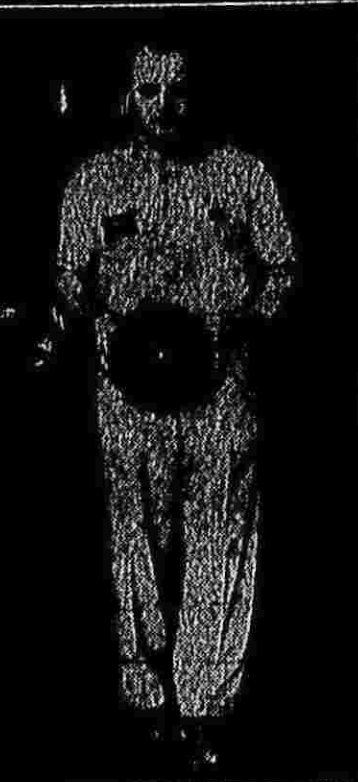

However, this complication does not occur in children before puberty.

While mumps has been known to recur, an immunity is usually established by the first attack. However, when only one side of the face has been affected, there is always the possibility of the other being infected later.

Because of the highly contagious character of the disease, patients with mumps should be isolated. Liquids and semi-solid foods, free of acids, should be substituted for solids to eliminate the pain of chewing.

Little can be done for the patient with mumps except to keep him comfortable and warm, since the disease seems to be self-limited. In

## Bowling Tips...

### BALL AT WAIST LEVEL ADDS POWER IN APPROACH

Resting the ball comfortably at waist level prior to the approach steps and swing is a requisite for "strikepower." Ray Schanen of Milwaukee, one of the nation's top professional bowlers and member of the Miller High Life Advisory Staff, demonstrates the proper stance and ball position prior to the approach and swing. As the approach starts, the ball should be pushed forward, away from the body. As your forward motion continues, the ball should be allowed to follow a natural pendulum swing down, back and forward into the release. The backswing should follow a natural curve and should not be forced into excessive heights. A few practice sessions will eliminate the chest and shoulder-high starting positions which detract from good balance and aim.

some cases, gamma globulin may be used.

In some conditions where the pain is acute, certain sedatives can be prescribed by the physician to permit the patient to rest.

Mumps should not be treated lightly. At the first complaint, consult your physician. Then heed his advice to prevent complications such as glandular and kidney disorders.

## Tavern Owners To Rally Against Teen-Age Drinking

Appointment of a special committee on Teen-Age Drinking is expected to highlight the meeting of the Tavern Owners Association of Lake County at Ki's Tap, Wadsworth Rd. and Lewis Ave., today (Thursday) at 3 p.m.

Primary purpose of the committee, according to Association President Ki Serzynski, is to work with juvenile authorities and the various Liquor Control Commissions towards stricter enforcement of laws prohibiting minors from purchasing liquor.

"We recognize that taverns which sell to minors repeatedly and willingly must suffer a penalty, but we feel that the minors who knowingly violate the law should also suffer the consequences," Serzynski asserted.

Also on the agenda will be a short film and discussion on the making of wine and brandy which has been prepared by the Masson Wine and Brandy Co. and is being presented by Judge & Dolph Distributing Co.

Among the things that money can't buy are what it used to.

## Rabies Increase Poses Threat

The remarkable increase in rabies among animals in McHenry County poses a real threat to dogs and other domestic animals in Lake County. John H. Wawirka, D.V.M., Lake County Rabies Control officer, reported today. Forty confirmed cases of rabies in skunks and fifteen cases in dogs were reported from McHenry County in 1963.

The only practical way by

which the epidemic can be prevented from spreading into Lake County is by vaccinating all dogs annually against rabies. Vaccination of cats is recommended because these small animals are very much more susceptible to rabies than dogs. Dr. Wawirka points out that if a pet such as a dog or cat develops rabies, it is usually the owner and his children who are the first to be exposed to the biting animal. State laws and local ordin-

ances require that whenever a person is bitten by a dog, the animal must be impounded by a veterinarian for a period of ten days. This applies even when the owner of the animal, or members of his immediate family, are bitten.

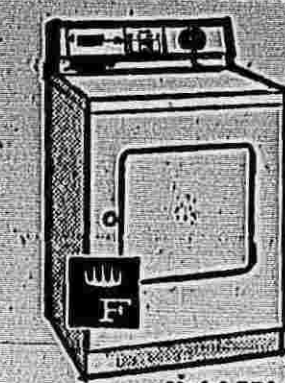

A film entitled, "Rabies Control in the Community" is available for showing to civic groups. Arrangements for this showing of the film can be made by contacting Dr. John Wawirka, Box 62, Lake Zurich, Illinois.

## WEATHER WOES by Pinner

### PREVENT THOSE WEATHER WOES

The Highway Visibility Bureau says: Be sure your windshield wiper blades are fresh and do not streak. Replace or refill streaking dead blades promptly with good live rubber. Blades go dead from exposure to sun, wind, smog and road film. Keep your side windows clean, also your head and tail lights. Keep plenty of water in your windshield washer, with anti-freeze solution in winter. Make sure your defroster is working. You must see danger to avoid it. Clear vision is priceless when driving.

## Lindhurst News

### DOG LICENSES

Ronnie Coles, Chief of Police, urges residents to purchase their dog licenses before they are issued tickets for dog ordinance violations. He is pushing the issue, and everyone will eventually have to have a license for his dog. McHenry has a rabies epidemic, and Coles hopes to avert one here. It would be costly for all concerned.

All dogs that are impounded will cost the owner \$5.00 plus 50c a day to get it back, plus the cost of the license.

### Bottle Drive

Boy Scout Troop 84 of Lindhurst, will go house to house Saturday collecting empty bottles to raise money for troop equipment. If they miss you and you have some bottles to donate, call Paul Hunt, El 6-7874, Bob Spiegel, 6-5112 or Willis Racht, 6-5709.

### Smorgasbord

If you aren't going to Prince of Peace's dinner-dance March 14, perhaps you would like to have supper at the Eastern Star's annual smorgasbord. Serving at the Lodge on Rte. 45 and Millburn Road, will be from 5 to 8 p.m. Mrs. Hubert Bechtel is chairman of the affair.

### Little League News

The Annual Pancake Breakfast and Registration will be held April 12 at the VFW Post on Grand Avenue in Lake Villa, from 7:00 a.m. to 1:00 p.m. All residents of the community are urged to attend and enjoy a delicious breakfast of pancakes and sausages as well as registering the boys for the baseball program.

Coaches and umpires are still needed for the coming season. Anyone interested in assisting the managers as coaches, or anyone interested in umpiring games, is asked to contact Mr. Harry Toben, Elliot 6-7158.

Two new teams are to be added to each league. Little League will expand from 6 to 8 teams and pony league from 4 to 6 teams. The officers believe this expansion will give all the boys in the area the opportunity to participate in the baseball program. For this reason, there will be no minor league this season. To be eligible for Little League, boys must be 9 years old before June 1st, and not attain age 13 before August 1st. To be eligible for Pony League, the boys must be 13 before August 1st, and not attain the age of 16 before August 1st.

The Little League will continue to play at Clark Field, opposite Sherwood Park, but the Pony League will play on a new field in back of Ringa's Funeral Home, when it is in shape.

### First Baptist Church

Although the First Baptist Church building is not yet finished, they held their first services there Sunday, March 1, in the Fellowship Hall, in the basement. The Strang Funeral Home in Antioch has loaned them 100 folding chairs until their own furniture arrives. They would like to hold Easter Services upstairs in the church, but doubt if they will be able to unless more men and women of the church do their share.

The Lake Villa Trust and Savings Bank sent flowers to adorn the church, the first day in the new building. The Jorgenson Plumbing Company of Round Lake worked quite late into the night so that they would have heat in the building that morning.

The Brotherhood of the Church will meet Friday evening at 7:00 p.m. They are advised to wear their working clothes.

The Spring Jubilee Revival begins Easter Sunday, March 20, and continues through April 5. Rev. Frank Trotter, pastor of the East Benton Baptist Church (the Mother Church) will be the Evangelist. Cottage meetings are being planned for the week prior to the revival. Those who would like to have a meeting in their homes are asked to contact Pastor Joe Baker.

**St. Mark's Lutheran Church**  
Drivers are needed to transport Luther Leaguers to the "Ice-Capades" Friday evening. If you will drive, call Pastor Nelson.

New members will be received on Palm Sunday, March 22.

### Prince of Peace Church

The Bishop Quarter Fourth Degree Assembly of the Knights of Columbus gave the parish an American and Papal Flag with the poles and stands. They were officially presented in a ceremony immediately after the 8:00 a.m. mass Sunday morning. The flags were blessed during the presentation.

The annual Altar and Rosary Rummage Sale will be held June 18 and 20.

The school children of Prince of Peace School presented the program Thursday evening, in honor of the visiting nuns, Mother Clare Chantal, Mother General of the Poor Child Jesus Congregation, Mother Mary Magdala and Mother Mary Avila, who

were here on a world tour from Simpleveld, Holland.

### Report From the Men's Club

Twelve members attended the Lindhurst Men's Club meeting last Thursday evening. Several members had to attend other meetings that night.

Arrangements are being made to attend another hockey game in Chicago in the near future.

Thursday, March 12, at 7 p.m. the Men's Club will have a wiener roast for the Boy Scouts, whom they will sponsor. All members of the Men's Club are invited to attend. The outing will be held on the bank of Linden Lake.

### Women's Club Meeting

Arthur Nack, executive secretary of the North Lake County branch of Family Service will be the guest speaker at the Lindhurst Civic Center. The meeting is open to the public.

### Injured Foot

Jimmy Shore has been nursing an injured foot since he hit it on a tree, when he tried to stop his sled. The accident happened over two weeks ago, and although x-rays have been taken twice and no broken bones have been found, he still has pain and difficulty stepping on it.

### Sympathy Note

Condolences are expressed to the Floyd Stanley family and the Tilley Stanley family on the death of the brothers' sister, Mrs. Myrtle Kowan of Hammond, Ind. They attended the funeral last Saturday in Central City, Ky. A nephew preached the sermon.

### Installed

Mrs. Floyd Stanley, Mrs. Frances Prohaska and Mrs. Raymond Verdieck were installed as members of the VFW Auxiliary at their meeting last week.

## Suggests a Mint For Lake County

Congressman Robert McClory (R., Ill.) has introduced a bill in the U. S. House of Representatives requesting the Secretary of the Treasury to establish a new United States Mint in Lake County, Illinois.

In a speech on the floor of the house in support of the bill, the Illinois Congressman called attention to the critical coin shortage resulting from the expansion of coin-operated vending machines, state sales taxes (usually paid in coins), increased interest in coin collecting, and the requirement for increased inventories of coins by merchants.

Further emphasizing the financial and transportation advantages of a midwest location for a new Mint, Congressman McClory pointed out that the Chicago area required more coins in 1962 than any other city in the nation. The Congressman also declared that a Mint located in Lake County would be able to serve the Chicago metropolitan area and would provide for the most efficient and economical operation.

It is understood that leading financial and business interests in Illinois will support the bill offered by Congressman McClory.

## '64 Chevy II Super Sport with V8 power

...and just the place to enjoy it

Find out for yourself what this Chevy II can really do. If there are hills nearby, let it give them a good going-over. Then see it give slow-moving trucks the run-around. With its new extra-cost V8 you need but give the accelerator an inch, and this Super Sport will take a mile. And this great highway performer looks the part it plays so well. A glance at its all-vinyl interior and door-to-door carpeting will tell you that. There's your choice of either the floor-mounted Powerglide or Four-Speed Synchro-Mesh transmission. Both are optional at extra cost, along with a Positraction rear axle, AM-FM radio, and many other accessories. And for all its new power, Chevy II rides so softly it seems to glide along the highway. That's because it has high-mounted independent coil springs in the front and Mono-Plate single-leaf springs in the rear. With everything Chevy II Super Sport has going for it, it's no surprise your Chevrolet dealer is anxious to show you its price tag. Because that's the only thing about it that isn't super.

# Salem Loses In Regional

By John Hansen

Salem Central's basketball season came to an end as the Burlington Demons outscored the Falcons 70-51 to win the Regional held at Salem, Bur-

lington now goes to Mukwonago for Sub-sectional action. Salem advanced to the finals by beating Delavan-Darien 52-37 in overtime. Burlington also needed an overtime to beat Muskego 64-52 in the semi-finals.

In the semi-finals against D-D it was all Hofer as far as Salem was concerned. The big senior poured in 32 in regulation time and added all three of Salem's points in the overtime to wind up with 35. D-D led by Dave Flahive with 17, John Byrnes 14, and Ted Kozlowski 10, held an 8 point lead for most of the game. The Comets jumped ahead 13-4 early in the opening period and led 15-9 at the end of the quarter. Both teams scored evenly in the second and third quarters. Delavan scored 14 and 17 while Salem was scoring 12 and 17.

With two minutes gone in the 4th quarter Salem was behind 48-40. The Falcons then exploded and scored 8 points in a row and tied the score. Hofer scored 6 and Joe Flachsenner 2 in the spurt. Going into the 3 minute overtime the score was 50-44 at 55 all.

Hofer continued his dominance of the game by putting in 3 free throws as compared to a lone basket by Delavan. Burlington made it 2-0 against Salem Central this year as the Demons pulled away in the last quarter to register a 70-51 win.

In the first meeting of the two, Salem fell way behind and saw a last ditch rally fail 5 points short as the Demons won 59-54. In the Regional final, though, it was a different story. Salem kept with in striking distance but Burlington ran away and hid from the Falcons in the last quarter with an 18-5 outburst.

Les Bieneman paced the Demons with 23, Gene Frank followed with 17, and Frank Kinzer added 11. Burling-

A record 673 series by Jim Graham, of the Taps-Chops-Cherries quintet, one of Bi-State's most promising younger bowlers, was the solo scoring highlight last week. Jim, who had games of 218-220-235, was top man in this current season. His team knocked off Colonial Home two games (Ray Nastrucci 558).

Runner up for individual honors was Dennis Dewar, hitting 624 and brother Terry's 562 was good for a 3 game blast over Beauti-Vue Products, and putting Dalgard's IGA in a 2 game lead. Vic Grumbeck shot 565 for the losers. Roy Hartman also had a 570 for the IGA five.

Mike Ozga led the Haydon Home team to a double win over Gibbs & Jensen. Rudolph Turkeys took a pair from Slide Inn.

The top four are: Dalgard's IGA 49 20; Taps-Chops-Cher. 47 31; Rudolph Turkeys 45 1/2 32 1/2; Colonial 43 1/2 34 1/2.

**Note Rise In Motor Vehicles**  
Motor vehicle registrations for 1963 was 149,227 greater than for the previous year, rising to an all-time high of 4,342,693, the office of Secretary of State Charles F. Carpenter reported today.

In Lake county, a total of 137,055 vehicles were registered in 1963.

Ed Matejka and John Lear also added over 200 points to the team's season total, getting 227 and 219 respectively. Lear also led the squad in assists with a total of 78.

Other regulars and their scoring totals were Jeff Gates, 172, Bob Semitz, 119, and Bob Oilschlager, 46. Schmitz and Oilschlager also

# Rogers On All-Conference Team

Coach Roger Andrews announced this week that Vic Rogers, junior center for the Sequoits this season, was named to the All-Conference selections.

Besides Vic, Ron Taylor, Gary Schulz and Al Killoran, of Grant, Ron Caldwell of Grayslake, Bob Miller of Round Lake, Ron Verbeke and Kim Prescott of Lake Forest, and Mike Freund and Don Miller of Wauconda, were also selected.

Don Miller, Wauconda guard, was the only unanimous selection. Five conference players were picked for honorable mention including John Lear of Antioch. Mentioned with him were Jeff Clink of Elmhurst, Tim Jackson of Grant, Bob Martin of Warren and Bob Scott of Wauconda.

Vic averaged 12.2 points per game for the Sequoits, and led the squad in scoring with a 305 point total. He also led the squad in rebounding with a total of 301.

The Sequoits as a team completed the season with a 15 win and 10 loss mark, averaging 59.5 points per game to their opponents' 56.8.

They dominated the boards throughout the season, getting 993 rebounds to 869 for their foes. They hit 37.8% from the field and made 373 of 570 attempts at the free throw line for a 65.6 average.

Bernie Smith was the second high scorer for the team, getting 287 points on 106 field goals and 75 free throws. Bernie also gathered in 231 rebounds to rate second on the team in this department.

Ed Matejka and John Lear also added over 200 points to the team's season total, getting 227 and 219 respectively. Lear also led the squad in assists with a total of 78.

Other regulars and their scoring totals were Jeff Gates, 172, Bob Semitz, 119, and Bob Oilschlager, 46. Schmitz and Oilschlager also

accounted for 140 rebounds during the season.

Senior letter winners were Jim Barnstable, Dean Denman, Jeff Gates, John Lear, Ed Matejka, Bob Oilschlager, and Norbert Wolter. Junior winners were Vic Rogers, Bob Schmitz and Bernie Smith.

## Men's Singles Gets Big Play On Opening Day

The first day of the Men's Singles Tournament at the Antioch Bowl last Sunday was booked solid, from the opening squad at 11 a.m. till late Sunday evening.

High score for the day, and for the tournament to date, was turned in by Paul Hoidik of Cicero—a 715, with handicap. Hoidik rolled games of 243, 210 and 186, and had a 76-pin handicap. Next on the board was Ray Lauterback, Forest Park, with a 686; then Paul Swanson, Zion, 679; John Ries, Milwaukee, 672, and Don Ori, 665.

The Old Fitzgerald team from Chicago's Classic league tried their luck Sunday, but couldn't find the strike pocket enough times to make the board. They'll try again the last Sunday of the tournament, March 22.

Next Saturday, March 14, Paul Krumpski will bowl at 3:40 p.m., and again at 5 p.m. A squad from the Jack Schaul Lanes in Morton Grove will be competing Saturday afternoon, also. Whitey Cox, well-known Waukegan bowler, will be bowling at 8:40 p.m. Saturday. He tried the lanes out last Sunday night without success.

Leon Woodman, Deerfield, will bowl on the 9:40 squad Saturday night. A number of local bowlers will be competing Saturday, among them Ray Atwood at 9 p.m.

There'll be a bevy of well-

# HIGH SPEED

## Plymouth rocks racing world with sweep in Daytona "500"

According to the record book for stock cars in competition, there is no higher average speed for 500 miles than the 154.334 m.p.h. set by a competition-equipped 1964 Plymouth in winning last month's Daytona "500."

Adding to that glory is the fact that two more 1964 Plymouths finished 2nd and 3rd for a decisive Plymouth sweep. That suggests that Plymouths were not only the swiftest cars in the competition, but that they're built to stay in there all the way.

For the millions of racing fans and high-performance enthusiasts across the country, Plymouth is proud of its "high speed" victory at Daytona.

# YOUR SPEED

## Plymouth beats Ford & Chevrolet in tests of showroom V-8s

This competition was more "your speed." At Plymouth's request, an independent testing company bought and compared showroom models of Plymouth, Ford and Chevrolet.

The cars were comparably equipped standard V-8s—cars people buy. And the tests were of "things people buy a car for"—acceleration, handling, braking, and gas economy.

In test after test, Plymouth accelerated best, handled best, braked best, and got the best gas mileage. This is the kind of competition Plymouth most likes to win. "High speed" or "your speed," these 1964 Plymouths are tough to beat!

### GIRL SCOUT COOKIE SALE

This year's Girl Scout product sale is fast drawing to a close. The sale will end this Friday, March 13, when all orders for cookies, nuts, and peanut crunch will be turned in to Mrs. Gabel, Neighborhood Product Sale chairman. Mrs. Gabel would like to remind the friends and neighbors of the Girl Scouts in Antioch that Brownie Scouts are not selling any of the products this year. "If you were waiting for your favorite Brownie Scout to stop by, please place your order with any of the Junior, Cadette or Senior Scouts instead." If no one has come to you as yet you may call Mrs. Gabel at Antioch 395-2599, and she will have a Girl Scout from your neighborhood come by to take your order.

Mr. and Mrs. James Helliwell, of Tyngsboro, Mass., are announcing the engagement of their daughter, Linda, to Mr. Daniel Runyard of Channel Lake. Dan is the son of Mr. and Mrs. Thomas Runyard. The young couple are planning a May 9 wedding in Tyngsboro.

The Channel Lake Grade School basketball A team captured the first place championship in their conference, when they defeated Harrison Grade School, 56 to 22, last Thursday afternoon. This is the first championship won by a basketball team in the history of the school. The boys on the team are: Marty McConahay, John Bjork, Chuck Stankus, Donald Dill, Buddy Harris, John McDonald, Ronnie Burger, Mike Geiger, Bob Lemke, Randy McBain, Ted Soby, Ed Wretman, Dwight Van Dorn, Craig Patterson and Sam Harris. Supt. Howard Scott is the team's coach and Ray Skelton their manager. Mr. Scott has worked very hard and given many hours of his time to the team and although the B team has not done very well this year, the A team has made up for them.

Mrs. Jean Needham, Brownie Scout leader, and Mrs. Helen Anderson, asst. leader, and Mrs. Mary Bierman, Girl Scout leader, are attending Scout training school one day a week for the next four weeks at Fox Lake. The purpose of this school is to train the leaders in giving the best scouting possible.

Paul Chase is doing very well in Victory Memorial Hospital after undergoing surgery for a burst appendix two weeks ago. The Chase family hopes to bring Paul home some time this week.

Mark McKinney celebrated his 14th birthday on March 4. Mark is the son of Mr. and Mrs. Lee McKinney and the grandson of Mr. and Mrs. Thomas Runyard.

Catherine Chase will celebrate her 8th birthday March 11. Cathy is the daughter of Mr. and Mrs. Thomas Chase and the granddaughter of Paul and Mary Chase.

Plans are in full swing for the St. Patrick's dance, to be sponsored by the Channel Lake Community Club. The dance will be held March 21 at the American Legion Home in Antioch. The Rhythm Kings will supply the music and refreshments will be available. Tickets are available from members of the club and can be purchased at the door.

The Channel Lake PTA is planning a Rummage and Bake Sale Saturday, April 4, in the school gym. Anyone wishing to make donations, please call Mrs. Dorothy Enzenbacher, 395-1883.

Mr. and Mrs. Roy Litcher of Chicago.

Eve January, daughter of Mr. and Mrs. Ernest January, Beach Grove, fell and broke her leg while at school, last week. She is now nicely convalescing at home.

Cadet Sergeant Ed Jahneke, Jr., Beach Grove, of the Onarga Military School, was injured while performing a backward-flip dive, as a semi-finalist in District play-offs in swimming competition. He has suffered a mild concussion, and has been confined to the OMS Infirmary for the past week, and he will still be confined this next week, also.

## Miss Goldwater Contest In Three Counties

Voters for Goldwater, Boone, Lake and McHenry counties, today announced a Miss Goldwater contest.

Young women, 18-23 years old, who are single, who have never been married, who live in the 12th Congressional District, comprising the three counties, or who attend college in the district, are eligible to enter the contest, according to William Brook of Antioch, a voters community leader.

Winner in this district will compete with other Illinois district winners in Chicago April 4. The young woman chosen Miss Illinois Goldwater will be awarded a free trip with expenses paid to the Republican National Convention in San Francisco in July.

Criteria by which contestants will be judged both in the 12th Congressional District and at the state contest will be as follows: Appearance; poise; personality; character; best able to represent Republicans for Sen. Barry Goldwater of Arizona, candidate for the GOP presidential nomination; and by giving a four-minute talk at the district contest on "Why I Believe" Sen. Barry Goldwater

Should Be Our Next President." Previous political experience will not be a deciding factor but the contestant must be a member of a Youth for Goldwater club or one of the other Goldwater clubs. The contestant may meet this requirement by joining voters for Goldwater, Boone, Lake and McHenry County when she applies for an entry blank.

Entry blanks are available from Mrs. Thomas Davis, 3202 W. Golfview at McHenry, member of the board of Voters and chairman of the Miss Goldwater contest in the district; or blanks may be called for at any Goldwater headquarters in the district, or the contestant may write to Voters for Goldwater, P. O. Box 471, Libertyville. The contestant in the district contest is expected to

## Students Science Exhibits Cover Wide Range

Approximately 200 persons viewed the 33 projects exhibited by Antioch High School students at the Science Open House on Wednesday, March 4. Ten first place awards were given and these projects will be displayed at the District Science Fair to be held April 11 at Lake Forest College.

One of these first awards was given to Seniors Wilnetto Monnier and Jeff Ryan for their project "Damage of Bullets." Their exhibit concerned the damage done to bullets and the target and, to some extent, identification of firearms.

Lee Craner, a freshman, also received a first for his project, "Analogy in Mathematics." Lee demonstrated ways of using analogy to solve problems.

"Form Fractionation" won a first award for Alan Tegen, a junior. Form fractionation is a process by which certain surface active compounds can be separated by forcing air through them.

Other freshmen who won firsts were Robert Beese and Leonard Roze for "Soil and Water Conservation," Glen Ottedahl for "An Automatic Wilson Cloud Chamber," Louis Tanner for "The Effect of an Incomplete Diet on a Rat," and Debbie Rzyko and Diane Seidemann for "The Heart."

Lorraine Stepenske was the only sophomore to take a first. Her project in the field of chemistry dealt with "Silicones in Chains."

The other two first place winners were junior Jim Steffenburg for his project "Delphinology" and senior Marilyn Gras for "Effects of Buffon on Rats."

Twelve second place and eleven third place awards were given to the other entrants.

## Inside Antioch High

By Marilyn Gras

Saturday evening there will be a "circus" in the ACHS gymnasium. The annual Freshman Basketball team versus Freshman Fathers and the A Club versus Faculty games will take place. The A Club has been trying to build up spirit all week with posters and poems like "Roses are red, the Faculty will be blue, the A Club beats them by 22."

Saturday morning freshmen, sophomores, and juniors will be at the high school to take tests. The freshmen and sophomores will take the NEDT (National Educational Development Tests), and juniors will take the National Merit Qualifying test. Both tests are standardized, multiple choice ones.

Also on Saturday, band and choir members will compete in the State Solo and Ensemble Contest. Parents were given a chance to hear these solos and ensembles Tuesday and Thursday evenings this week in the band and choir rooms.

The first place awards were given at the Science Open House held Wednesday,

## Loven Chairman of Lions Convention

Maurice E. Loven, Beach Grove Road, Antioch, was recently named as co-chairman of the Lions International District Convention, to be held on Sunday, March 15, at the Illinois Beach State Park Lodge in Zion.

Mr. Loven is Zone chairman of Region One which includes Lions Clubs in Antioch, Fox Lake, Lake Villa, Round Lake, Grayslake and Gagewood. A member of the Antioch Lions Club since 1958, Loven has been a member of Lions Clubs since 1945. During this period of time Loven has served as secretary, treasurer, and is a past president of the Forest Lions Club. For many years he has worked with an Advanced Retarded Children's School and is currently working in affairs of the Antioch Lions Club. Loven is a retired jeweler and actively interested in local community affairs.

March 4. These winners will enter their projects in the District Science Fair April 11 at Lake Forest College. District winners will then bring their projects to the State Fair held in Champaign-Urbana during May. All awards from the Science Open House will be handed out at a special program tonight in the high school cafeteria.

This week is a short week of school throughout Lake County. Both elementary and high schools will not be in session on Friday.

## Grant High News

On Wednesday, March 11, Grant High School students received six week grades. Receiving grades is not unique but the manner in which they received them was. The student was given a single grade report to take home to parents. It is not necessary for parents to return these sheets, but may keep them to form a cumulative record. Previously students received grades in a booklet that was signed by parents and returned to the school.

It is suggested that parents be aware of this innovation in case students fail to remember to present the reports to parents at the proper time.

Pilgrim Fellowship are sponsoring the picture "South West Passage" to be shown in the recreation room of the church Saturday evening, March 7. This group is earning money to help with expenses for summer conferences.

The Devotional Study Group met at the home of Mrs. Carl Anderson last Thursday morning with 14 members present. The next meeting will be Thursday morning, March 12 at the home of Mrs. Verlon Grove.

## Starts Write-In Campaign For Nixon

A write-in campaign is under way in Lake County for former Vice President Richard M. Nixon to be named the presidential preference of the Republican primary voters.

Thomas Stelskal, Antioch, county chairman of the campaign, said the purpose is "to bring unity to the Republican party in Illinois and the nation."

The Lake county campaign is tied into the statewide campaign launched a short time ago by a pair of Springfield lawyers, Joseph Gavanagh and Robert C. Walbaum.

Stelskal said the campaign was "kicked off in the belief that neither of the apparent front runners for the presidential nomination—U. S. Sen. Barry Goldwater, R., Ariz., and Gov. Nelson Rockefeller of New York—can win the election. He also said that he thought the people of Lake county and the state of Illinois wanted more of a choice than is going to be printed on this coming primary ballot for the presidential race. At this time there will be only the names of Goldwater and U. S. Senator Margaret Chase Smith, R., Maine.

Stelskal said, "the hardest part of this campaign, in addition to getting the people to write-in the name, is also to get across to the voters that when they write in for a candidate, that they have to also draw a box to the left side of the name, and then put an X in the box in order to make it a legal vote that will be counted."

### Garden Club Elects

Mrs. Gustav (Marge) Fabry was elected president of the Lindenhurst Garden Club, at last week's meeting. Mrs. Denver (Mary) Shore, vice president; Mrs. Sam (Mary) Lohrillo, recording secretary; Mrs. Warren (Bernice) Frontzak, treasurer; and Mrs. Gerald (Roberta) Hazel, corresponding secretary. Since the Annual Card party will be held April 6, their regular meeting night, their installation will be held at the May meeting. Plans are to

go to the Country Squire that night.

### Forty Years Service

On March 12, Mrs. Al (Minnie) Hart of 2312 E. Briar Lane will be one of three ladies honored at a tea by the telephone company in Waukegan. Mrs. Hart has been with the Waukegan office six years and had been with the Rogers Park office 34 years. March 19 is actually her anniversary date.

She has invited Mrs. Kay Kaating of Lake Villa, Mrs. Marie De Carlo of Mundelein and Mrs. Helen Keisler, also of Lake Villa, to be her guests at the tea.

The other "old timers" are Mrs. Pauline Brown, 30 years

## How to save money on Long Distance calls

Long Distance offers a choice of bargain prices today.

**Starting at 6 p.m. . .** Long Distance rates are reduced on all calls—"station" and "person"—from 6 p.m. to 4:30 a.m. every day. These same rates apply all day on Sundays, Thanksgiving, Christmas and New Year's.

**Further savings at 9 p.m. . .** Then, every day, rates on "station" calls to many points drop even lower. But, "person" calls cost the same after 9 p.m. as they do after 6 p.m.

**Calls Outside Illinois—**After 9 p.m., a "station" call to any point in the U.S. (except Alaska and Hawaii) costs only \$1 or less, plus tax, for the first three minutes. Calls under 220 miles already cost less than \$1 after 6 p.m., so there's no further saving after 9 p.m.

**Calls Within Illinois—**After 9 p.m., a "station" call within Illinois costs 50¢ or less, plus tax, for the first three minutes. Here, there's no further saving on calls under 54 miles. They already cost less than 50¢ after 6 p.m. These rates do not apply to collect, credit card calls or calls charged to a third number.

For any Long Distance information...check your directory, or ask your Long Distance Operator.

Don't take Ford's word for it. Read what '64 Ford owners say, then test-drive a Ford before you buy any new car.

MR. JAMES D. MARTIN, CHICAGO

"I had another make of car for awhile. But I switched back to Ford this year. I'll never drive another kind of car again. I'm a Ford man now for good."

MRS. THOMAS BRODERICK, CHICAGO

"When we were shopping for a new wagon, we looked at several makes—Chevrolet, Buick and Plymouth. We finally picked a Ford Country Sedan. The vinyl interiors are wonderful—they wipe clean with a damp cloth. And this wagon holds everything—two parents, 7 kids and all our suitcases."

MR. ROBERT PETERSON, SKOKIE

"Before I bought my '64 Ford, I put it— and a '64 Rambler—through the toughest test drives I could find . . . 9 miles of bumpy roads, highways, tight corners and all the rest. I was very much impressed with the way the Ford rode smoothly on all surfaces, and the way it accelerated. This is really a fine car."

(35-38-37)

## COUNTY ZONING NOTICE

STATE OF ILLINOIS

### COUNTY OF LAKE

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on March 31, 1964, at 1:30 P.M. in the Old Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, for a variation in setback requirements in the R-4 Residential District, on the following described real estate, to-wit:

Lot 1, Block 4, Fox Lake Vista Unit 1, being a subdivision of the Southwest quarter of Sec. 33, and a part of the Southeast quarter of Sec. 33, Twp. 46 N., R. 9, East of the 3rd P. M., according to the plat thereof recorded January 11, 1928, as Doc. 311410, in Book "S" of plats, pages 47, 48 and 49, in Lake County, Illinois.

As a result of the petition of CHARLES F. ALBERS & HELEN M. ALBERS, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.  
LAKE COUNTY ZONING BOARD OF APPEALS  
B. F. GENTY  
Chairman  
Dated at Waukegan, Illinois, this 12th day of March, 1964. (37)

## AN ORDINANCE

## RELATING TO MEETINGS

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS:

SECTION 1. REGULAR MEETINGS. The regular meetings of the Village Board of the Village of Antioch shall be held on the first and third Tuesday of each and every month at the hour of 8:00 o'clock P. M. in the council chambers of the Village Hall.

SECTION 2. SPECIAL MEETINGS. Special meetings may be called by the Mayor or any three Trustees upon a twenty-four hour notice to every member of the Board of Trustees; provided that the requirement of a notice shall not be binding in any special meeting to which all of the members of the Board of Trustees are present, as is provided by Statute.

Such notices may be served by any member of the Police Department or by any other person in the Village; and it shall be the duty of the Village Clerk when given copies of such notices to serve the same or to cause the same to be served immediately.

SECTION 3. REPEAL. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.
